*Dear guests,*

those who pay attention to quality pay attention to detail.

We are currently looking for additional staff for service and kitchen.

And until we have found that, we offer you the **pamper package evening buffet** – find out more on our website at [Good to know](#).

The **à la carte offer** will come back, we promise – as soon as our team is complete again with the usual quality. And get in touch with us if you know someone who fits into our service or kitchen team.

Many thanks for that!
